2nd October 2018

To Whom it may Concern.

The Christmas Lights Switch-on Event and Christmas Market is due to take place on Friday 30th November 2018 and as in previous years the Town Council will be applying for a road closure.

The closure which will take place from 3.00pm to 9.00pm is deemed necessary due to the number of people expected to attend the event.

The road closure will be required to cover the length of the High Street.

This is to ensure the safety of people taking part in the event and also members of the public. With the continuing support for this occasion we expect a very high number of members of the public to attend this event.

If you have any comments, please send them to the Traffic Orders Team, Sustainable Transport Group, Wiltshire Council, Bythesea Road, Trowbridge BA14 BJN or to TrafficOrders@wiltshire.gov.uk. Please note that you must make any such comments by 15th October 2018 and you must include your name and address. This will not be open to public inspection or included in any published report if you request otherwise. Any comments you make will be forwarded to Marlborough Town Council for their response.

Yours faithfully,
