To whom it may concern

The Remembrance Day Parade is due to take place on Sunday 11th November and as in previous years the Town Council will be applying for a road closure.

The closure will take place from 10.00am to 11.30am and is deemed necessary due to the particular layout of the roads in regards to the War Memorial.

The parades route will mean that road closures will be required to cover the High Street, Kingsbury Street, Oxford Street, Barn Street, The Parade, New Road and part of London Road.

This is to ensure the safety of people taking part in the parade and also members of the public. With the continuing support for this occasion we expect a very high turnout of members of the public and indeed the parade itself which continues to grow.

Parking will be available in the public car parks in Waitrose Car Park, George Lane Car Park and Hyde Lane Car Park.

If you have any comments, please send them to the Traffic Orders Team, Sustainable Transport Group, Wiltshire Council, Bythesea Road, Trowbridge BA14 BJN or to Traffic.Orders@wiltshire.gov.uk by 1st October 2018 and you must include your name and address. This will not be open to public inspection or included in any published report if you request otherwise. Any comments you make will be forwarded to Marlborough Town Council for their response.

Yours faithfully,

Linda Chapman
Civic Secretary
