

## 20mph Speed Restriction – A Consultation

The Town Council, at the request of Wiltshire Council's Community Transport Group (known as CATG), helped to identify various areas to be considered for 20mph speed restrictions. Metrocounts (devices using 2 sensor tubes placed across the road collecting data on vehicle volume, speed and classification) were placed on these roads and this data has been analysed and recommendations put forward in a report produced by Wiltshire Council. As whether to implement 20 mph restrictions in the town is such an important one, our Councillors felt that the options presented in the report should be put out to public consultation. This consultation is online at [www.marlborough-tc.gov.uk](http://www.marlborough-tc.gov.uk). The report and consultation form is also available in hard copy format at the Town Council offices and the Library. It runs to 27th April 2018. There will also be time allocated to this for open discussion at the Annual Town Meeting (see below).

## Resurfacing Works

Long awaited resurfacing of George Lane and London Road takes place during April. This work will require temporary road closures. Dates are as follows:  
**George Lane – 3-11 April - 0700 – 1900**

**London Road – 9 - 20 April - 1900- midnight**  
 Further details about access and diversion routes can be found at [www.marlborough-tc.gov.uk](http://www.marlborough-tc.gov.uk)

## Community Covenant

On 23rd February, well over 100 local people came along to meet soldiers from the 4th Military Intelligence Battalion at a Civic Dinner held in their honour. They enjoyed excellent performances from the Band of the Adjutant General's Corps as well as the Marlborough Community Choir conducted by Vanessa Lafaye who sadly passed away on 28th February making this her last performance with the choir she founded. She impressed and charmed everyone with her witty introductions to each piece and mastery of her craft.

The event also presented the opportunity to strengthen Marlborough's commitment to the Battalion through our Community Covenant which was first signed during the visit of the Duke of Kent in 2014. This has been reviewed and was signed by the Mayor and the Battalion's new Commanding Officer, Lt Col Simon Puxley.

## Allotment Association

Due to the snowy weather conditions, Marlborough's Allotment Association's AGM did not take place in March as planned and will instead be held in the Council Chamber on Wednesday, 25th April

2018 at 6.30pm. Everyone is welcome to come along and discuss the future of the Association and the town's 3 allotment sites.

## Thank you

The Town Council would like to thank all members

of the Emergency Services and also those many people in our community who pulled together during the recent snowy weather to help out.

## Annual Town Meeting

To find out more about what your Town Council has been up to over the last year, you are invited to come along to this year's Annual Town Meeting which will take place in the Assembly Room of the Town Hall on Monday, 23 April at 7pm – refreshments from 6.30pm onwards. This is not a meeting of the Town Council but a meeting for the local electorate giving them a chance to ask questions. We look forward to seeing you there.

Comments and enquiries to the council are always welcome, you can contact us on:-
