Members noted this application
- 341/19 COMMUNITY AREA TRANSPORT GROUP (CATG)**  
Members considered two requests for Traffic Surveys. The **Town Mayor** noted that requests for metro counts go direct to Wiltshire Council Highways. Any resulting

recommendations such as traffic calming measures would then be considered at CATG.

Orchard Road/Cherry Orchard

A request from a member of the public for a metro count in an area close to a school where speeding is an issue for pedestrians. Suggested solutions included a 20 mph limit or speed bumps.

**RESOLVED:** (i) to request metro counts for Orchard Road/Cherry Orchard

London Road

Following a number of complaints from the public and Wiltshire Police, Wiltshire Council's Road Safety Driving Team had recommended a request for a metro count to gather data to be used to assess potential measures which might help reduce speeding in this area.

**RESOLVED:** (ii) to request metro counts on London Road, near Avalon Court

**342/19 WAITING AND PARKING REQUESTS 2020/21**

Members noted that the deadline for requesting waiting and parking restrictions was 31 January 2020. As there were a number of absences it was agreed that this be deferred to a future meeting.

**343/19 TEMPORARY ROAD CLOSURE**

Members noted that Wiltshire Council had issued an order (TTRO 6307) to close temporarily to all traffic:

Barn Street, Marlborough between 19:00-07:00 from 16 December 2019 for two nights to enable carriageway retexturing

**344/19 NEIGHBOURHOOD PLANNING**

A lot of work had been done to focus on open spaces, including identifying wildlife corridors, gaps in footpaths and listing green spaces. It was disappointing that a delay in receiving a sustainability appraisal from Aecom meant that the first consultation for the Plan would have to be delayed into the new year.

The meeting closed at 7.27 pm
