PLANNING APPLICATIONS ctd

(a) K/19510 ctd

RESOLVED:

That this Council objects to this application on the grounds that great emphasis was made on retaining the individual shop look on this building when it was originally approved and by losing a door for the window would be against this policy, it would also reduce the fire exits.

When the Marlborough Town Council sold the frontage to the applicant, the Council were not expecting a trolley store.

(b) K/19511

First floor extension and alterations to existing dwelling at 11 Salisbury Road, Marlborough for Mr. and Mrs. T. K. Gannon.

The Chairman read a letter from the Civic Society.

RESOLVED:

That the Marlborough Town Council objects to this application on the grounds that it is felt that a pitched roof and windows to match the original building would greatly enhance the extension.

(c) K/19520

Replace conservatory at 71 London Road, Marlborough for John Ball and Gillian Reilly.

That the Marlborough Town Council raise no objection to this application for the replacement of the Conservatory but presumably the roof lights were not involved in this application.
