237/94 PROPOSED ESTIMATES FOR THE YEAR 1995/96

In opening the meeting the Chairman drew attention to the letters received from the Audit Commission asking Members to take into account the Council's balances when considering the need for or the level of the next Precept. In referring to the balances Councillor Gray proposed that the Sterling Account and the Corporate Property Account be named the Corporate Property Accounts. All agreed. The consensus of opinion was that at some future date consideration must be given to re-investing the capital in property or land for the future.

The Committee considered the proposals for 1995/96 and the following amendments were made -
