PCSO Johnson and PC Butwell were on foot patrol in Marlborough. 🇮🇪 As Greggs sadly had to shut its doors, they had lots of cookies that needed eating! 🇮🇪 PCSO Johnson and PC Butwell drove around to Care Homes, Hospitals and to Vulnerable people where the cookies were greatly accepted by all! 😊 (Measures were taken to ensure that this was carried out in the safest possible way.) 😊

Priorities:

We have received specific guidelines from the government since the outbreak of COVID 19.

In recent weeks, we have received a number of reports relating to social gatherings taking place, due to the rise in temperatures and change in weather we understand it may be difficult. Some residential areas in Marlborough are coming to notice in the community, reports of street parties and groups of people mixing together, therefore not following the 2metre distance advice. We will be patrolling these areas frequently and we urge you to continue to follow the advice in order to protect lives and the NHS.

For all COVID 19 queries please visit the GOV.UK website.
