Love Marlborough Kids Meals

<https://www.lovemarlboroughkidsmeals.org/>

Marlborough is a vibrant and picturesque town, but like many places across the UK we face the hidden reality of deprivation. Shockingly, parts of our town are ranked within the most deprived areas in England. For some families the weekly shop is a constant challenge with rising costs leaving them unable to put food on the table. It is heartbreaking to know that, even in our beautiful community, children are going hungry.

That's where [Love Marlborough Kids Meals](#) steps in. This incredible charity works tirelessly to ensure no child goes hungry, preparing and delivering hundreds of nutritious meals each month to struggling families in our town. Their work provides a lifeline, offering not just food but hope and support to those who need it most.

Councillor Cleasby founded Love Marlborough Kids Meals in June 2020, prior to becoming a Town Councillor
