#### PUBLIC QUESTION TIME

**Malcolm Exeter** asked for an update about the status of his request to address safety issues for pedestrians at Poulton Hill, whether there were any additional actions needed to enable the requested works could be carried out, and the likely timescales.

**Councillor Sheppard** had discussed with the Wiltshire Council Highways Officer: the possibility of extending the 30mph limit area was being considered, it was unlikely that the width of the road could be altered. Councillor Sheppard agreed to check the latest Community Area Transport Group minutes and provide more information.

**Alan Woodford** submitted a question via the Town Clerk: "Would the Town Council please object to Planning Application PL/2022/01618 on the grounds that this development of The Common for the exclusive use of a narrow section of the community at the expense of the much wider public: (1) constitutes over-development, coming on top of the existing two pitches, barriers, advertising hoardings, and the amount of the Common given over to the Golf Club already, (2) fulfils no identifiable need with two pitches already available to the Rugby Club as

training areas, (3) further reduces the green space available to the general public (4) is an inappropriate use of green infrastructure as described in Core Policy 52 (5) will further reduce the biodiversity of the common (6) includes no biodiversity survey (7) shows hedge planting in the Training Area Plan key but mentions them nowhere else (8) shows no evidence of consideration of the impact of the development on the adjacent trees (9) further damages the intrinsic nature of the Common".

**The Chairman** felt it was a great shame that Mr Woodford was unable to attend the meeting. In answer to Mr Woodford's question, a working party had been created which had examined all the issues very carefully, including:

- commissioning a biodiversity survey – the report was available on request and from the Town Council's website
- balancing the needs of all users
- recommending the best location

A compromise proposal had been recommended and accepted by the Town Council. The planning application would be considered later in this meeting. The Chairman asked that Mr Woodford be advised that he had the right to comment to the Planning Inspectorate for the DEFRA application, and to Wiltshire Council for the planning application, where it could be requested to be considered at the Eastern Area Planning Committee.

#### **421/21 APOLOGIES**

Apologies for absence were received from **Councillors Farrell, Hall, Allen and Thomas**.

#### **422/21 DECLARATIONS**

**Councillor Fogg** – agenda item 7(c) – application for work to trees at Farrar Drive – non-pecuniary interest.

#### **423/21 CHAIRMAN'S ANNOUNCEMENTS**

The Planning Committee meeting scheduled for 21 February had been inquorate. Some Members had not attended, but without letting anyone know that they would not attend. The Chairman asked Members to let the Town Clerk know as soon as possible if they would be unable to attend meetings.

#### **424/21 MINUTES**

**RESOLVED:** that the minutes of the meetings held 7 and 21 February 2022 were approved as true records and signed by the Chairman

#### **425/21 ACTION LOG**

The action log was noted, and verbal updates provided:

#6 - No Through Road sign for Manton Hollow: reviewed at CATG and approved: Wiltshire Council to purchase the sign, with the Town Council contributing 25% of the cost.

#7 - Manton 5-point traffic calming scheme: a small project group is to be formed (including Councillors Sheppard and Hall, Town Clerk, Wiltshire Council Highways Engineer, Residents Association representatives) to review and propose whether some

elements could be actioned via CATG while others would constitute a substantive project.

#69 - request for second grit bin at Ducks Meadow: the request had been reviewed and Wiltshire Council found the existing bin was still viable, suggesting that The Town Council could provide a second bin at its own cost if desired. **Councillor Sheppard** asked whether a plan of the area, with preferred siting, could be provided to help his discussions.

#### **426/21 PLANNING DECISION NOTICES**

Members noted the Planning Decisions that had been issued by Wiltshire Council.

#### **427/21 PLANNING APPLICATIONS**

a) **PL/2022/01618** – Training area for Marlborough Town Rugby Football Club at Frees Avenue, Marlborough for Mr Mark Thomas

**RESOLVED:** Marlborough Town Council supports this application subject to the necessary planning approvals from Wiltshire Council, and the DEFRA Planning Inspectorate in Bristol (an application to the Planning Inspectorate is also concurrently submitted under s38 of the commons Act 2006) and also subject to the implementation of the biodiversity works as outlined in the Sundew Ecology Report. It should be highlighted that the planning submission to Wiltshire Council does not note that there are trees and hedges nearby to the proposed site, and Marlborough Town Council would want to clarify that in their view this is the case as both trees and hedgerows are integral features of the Common as a whole, and that this contextual information should be brought to the attention of the planning authority when considering the application.
